To: All those affected by the Reservoir.

Gentlemen,

Proposed Reservoir Alvingham

I would like to meet you all towards the end of October to go over certain action you should take during November. I think this meeting would be better held on the ground and I have therefore arranged for us to meet at 11.00 a.m. on Tuesday, 31st October at Messrs. N. S. & J. Pridgeon, High Bridge Farm, Alvingham.

Could you also please note that Mr. Holbeche, Mr. Wallace's assistant, will be up here all day on Thursday, 9th November and I will be bringing him round to see all of you individually.

In addition, Mr. Wallace is up here on the following day to see various official bodies and may well wish to speak to you about what is happening. It would be wise therefore if you would keep both days free (i.e. 9th & 10th November).

Yours sincerely,

J. M. I. Barkworth
